

Transformation with Jane Gibson

Date: Sunday 30th April 2006
Location: Inverell High School, Brae Street, Inverell
Time: 9:30am - 12:30pm
Cost: \$27.50 GST incl.

Requirements:

- Simple quilt top about 1metre square - e.g. 4 block log cabin or rail fence

- Bargello, or a 4 block with the pieces cut from strip-pieced fabric. This is the ideal place to use up a UFO – add some borders if it is too small.
- Batting
- Backing
- Safety pins
- A variety of decorative machine threads – variegated, rayon, whatever you have. Also some ordinary thread and bobbin thread if you use one.
- Sewing machine with free motion quilting/darning foot
- 100/16 topstitch(preferable) or jeans needles
- Any fabric paints, shiva paint sticks, etc that you have (there will be some available for use)
- Any rubber stamps, stencils, etc that you have (there will be some available for use)
- Small washable or disposable objects for printing e.g. leaves, lego blocks, stickers from the newsagent (to be used as a resist so don't need to be fancy but different sized circles for example work well)
- Small sponge paint roller (not the textured kind)
- Small sponge paint brush
- 1-2 plastic plates (preferably white, dinner plate size) for palettes
- Printing pad made by wrapping about 3 Sunday papers in a garbage bag and taping any excess of the bag to the back to make a smooth surface.
- Vliesofix and an assortment of fabrics if you wish to add appliqué
- 1 metre black tulle (optional – it will be used to hold small scraps in place if you wish to add them to the quilt top)
- Beads, ribbons, fancy knitting yarns etc for embellishment
- Pins, scissors and usual sewing equipment
- Pen, paper or notebook, paper scissors & glue stick
- Extension cord
- Power board
- Masking tape
